

Job Offer: Student Assistant

**We are looking for you as student assistant (SHK)
in our team Bicycle Traffic
(Head: Prof. Dr.-Ing. Heather Kath)**

YOUR PROFILE

- Enrolled as a bachelor student at the University of Wuppertal.
- Interested in bicycling, behavior modeling and scientific experiments.
- Experience with qualitative and quantitative analysis.
- Good research skills and scientific thinking.
- Good English and German language skills.

YOUR TASKS:

- Assist preparing and executing with real-world experiments on the road and on our bicycling simulator.
- Assist in literature review and support materials.
- Assist in documentation and visualization of our studies.
- Create and run surveys.

We look forward to receiving your application (motivation letter, CV, current certificate of study, and if applicable, evidence of a severe disability) via the online portal of the University of Wuppertal: <https://stellenausschreibungen.uni-wuppertal.de>. We appreciate your questions and ideas sent via e-mail to the contact person listed on the side.

At the University of Wuppertal, we value the individual and cultural differences of our university members and are committed to equality, equal opportunities and the compatibility of family and career. Applications from people of all genders and people with disabilities are welcome.

Women will be given preferential consideration in accordance with the State Equality Act of North Rhine-Westphalia, unless reasons relating to a male competitor outweigh this. The rights of persons with severe disabilities to be given preferential consideration in cases of equal suitability remain unaffected.
